

Long Term Plan

Year Group	Autumn Term	Spring Term	Summer Term			
EYFS	Science is covered through 'Understanding of the World' placing a particular focus on the natural world. Children will experience the wonders of nature through many real life hands-on experiences for example experiencing the weather, living things and materials. Children will explore, problem solve, observe, predict, think, make decisions and talk about the world around them at every opportunity with significant importance placed on the vocabulary to describe it.
