Headteacher's Update

Dear Parents and Carers

All of the children have been working really hard and in particular our Y6 who begin their SATs on Monday. We completed some mock tests yesterday so the children could experience how the tests would be administered and all felt less apprehensive. There will be breakfast club Monday-Thursday for Y6 in the small hall where the children can come and relax with their friends before the start of the day. This has been really beneficial in previous years so it would be lovely to see all of the children there.

Our celebration assemblies for children displaying our Learning Powers have been going really well and the children have loved having their parents there. Many thanks for your support and attendance at these. We continue to improve our OPAL (outdoor play and learning) opportunities for our children and we are hoping to have the grounds completed before the end of the academic year. We also have plans to offer parent/ carer playdays next half term too.

A date for your diary...our fantastic quiz night on 22nd May at 6pm to raise money for our Musical Theatre group. It would be great to see you there! Hopefully we are beginning to see some warmer spring weather so can you remember to apply sunscreen to your child before school and send in a water bottle to keep them hydrated.

I hope you all have a lovely weekend!

Ms Murphy
Head teacher
