Headteacher's Update

Dear Northwood Community,

As we reach the end of another wonderful school year at Northwood Community Primary School, I find myself reflecting on what has been a truly remarkable term filled with celebration, achievement, and community spirit.

Last Friday marked a particularly special milestone as we said goodbye to our Class of 2025 with their much-anticipated Leavers Disco. The excitement and joy on the children's faces as they danced the evening away was absolutely infectious, and it was heartwarming to see them celebrating this significant moment in their primary school journey. This was followed yesterday by our moving Leavers Assembly, where we had the opportunity to formally recognise their achievements and wish them well as they prepare for the next chapter of their educational adventure.

Our Awards Assembly last Friday was another highlight, celebrating the many talents and accomplishments of our pupils across all year groups. It never fails to fill me with pride to see our children being recognised for their hard work, dedication, and the positive contributions they make to our school community.

I am particularly delighted to share news of our termly and annual 100% attendance assemblies. We have an incredible 32 children who will be joining us for our special Wonderful Wednesday celebration – a testament to their commitment to their education and the support of their families in ensuring regular attendance.

The perfect end to this wonderful year came with our summer Fayre, which truly embodied everything that makes our school community so special. The atmosphere was magical, with families coming together to enjoy the festivities, and it provided the most fitting conclusion to what has been an exceptional academic year.

As we now look ahead to the summer holidays, I wanted to remind you that we return to school on Wednesday 3rd September at 8:40. This gives our pupils and families a well-deserved break to recharge and spend precious time together.

I hope you all have a lovely holiday filled with rest, adventure, and quality family time. Whether you're planning exciting trips or simply enjoying quieter moments at home, I know our pupils will return refreshed and ready for another fantastic year ahead.

We look forward to seeing you all in September and to continuing our journey together as the Northwood Community Primary School family.

Head Teacher

Eco Club

This half term, Eco Club has been busy taking care of our school grounds and planning for the year ahead. We've worked hard weeding and litter picking to help keep our outdoor spaces clean and tidy.

The children enjoyed surveying the school grounds to identify areas for improvement and used their findings to begin creating an action plan for the next academic year.

Alongside this, they have been designing colourful and informative signs to display around the school, reminding everyone about the importance of recycling, saving energy, and using water wisely.

It's been a productive and inspiring few weeks!
